Survey Name	: Student Onboarding Survey v.02	Survey Version No	: 02
Department	: Student Success and Outreach (SSO) - UCC	Posting Date	: 16 June 2025

Survey Description

The "Student Onboarding Survey" at United Ceres College (UCC) is designed to collect actionable feedback from new students during their orientation. This survey focuses on understanding the clarity of instructions, the usefulness of provided materials, and the preparedness of students for their academic journey. It also evaluates the professionalism and conduct of recruitment agents to ensure compliance with institutional standards.

By conducting the survey immediately after onboarding, UCC ensures that real-time feedback is gathered when the student experience is fresh. This allows for immediate improvements to support services, communication strategies, and agent management practices, aligning with the institution's quality goals and EduTrust standards.
